Download 7 Insider Secrets to a Winning Job Search

Here are some excerpts:

- Job searching is not a casual process. You're either all-in or all-out
- It's not about people you know; it's who *they* know
- When you tell your friends about your new job, will they say "What?" or "Wow!"
- Network today as if you'll be jobless tomorrow
- If in doubt, do more of what makes you happy, less of what makes you unhappy
