

# Special Report: The State of Private Credit in Europe

THE LEAD | September 7, 2021

**Beginning in June 2021 The Lead Left published a series of articles on the state of private credit in Europe. This report consolidates those articles.**

- Europe/US: Direct Lending Compared
- US vs Europe: Toggling for Loan Value
- European Direct Lending – By the Numbers
- What are terms in European Direct Lending?
- Fundraising for European Private Debt
- European Direct Lending: A Look Ahead
