

Why ESG Matters: Private Credit

THE LEAD | May 26, 2022

We wrap up our special series by examining how private credit integrates ESG into its various strategies. While credit managers are typically not involved in the direct management of businesses they finance, impact investing is an exception. According to a recent PDI article, private debt represents 34% of all impact investing AUM, with real assets at 22% and private equity 19%...
