Four for ’24 (Last of a Series)

THE LEAD | February 22, 2024

In the absence of fully functioning public markets during the Fed’s intense anti-inflation campaign, liquidity was drained, not just from the economy but from bank reserves, trading desks, CLO formation and retail fund flows.

Top middle market arrangers have built powerful one-stop platforms, allowing private equity sponsors to select from a wide range of sophisticated options, up and down the balance sheet, to accommodate their capital solution needs…

(Any “forward-looking” information may include, among other things, projections, forecasts, estimates of market returns, and proposed or expected portfolio composition Past performance is no guarantee of future results. Investing involves risk; principal loss is possible.)
